2. The Directors reserve to themselves the right of refusing any entries they may think fit to exclude, or to prohibit the exhibition of any entry, and to retain the entry money paid for such entry, if it be proved to their satisfaction that said entry was contrary to any of the Association's regulations.
3. All stock exhibited at the Show must be the bona fide property of the exhibitor in whose name it is entered. In these rules and regulations the word "stock" shall include animals and poultry of any kind whatever.
4. Stock entered for competition or exhibition and actually in the Show grounds is subject to the control and under orders of the Directors, Secretary, or other Show officials and may not be withdrawn from competition or exhibition without the consent of the Directors or Secretary.
5. It is the responsibility of exhibitors to ensure that stock brought into the Showfield by them or on their behalf is free from disease and under proper control at all times. The Association shall not be responsible for any illness, disease, injury or damage contracted or caused to stock, stock attendants, exhibitors or others connected with such stock on account of the state of health of or by the actions of any stock on the Show ground. All exhibitors and others submitting entries shall be deemed to have accepted the terms of these rules.
6. Persons making insulting remarks to or unduly interfering with any Exhibitor, Judge, Steward or other Official while in performance of their duties or refusing to accept or display tickets, or rosettes, etc., awarded by the Judge or any unseemly conduct shall be considered guilty of misconduct and dealt with under these rules.
7. All persons in charge of Stock or other exhibits and all persons admitted into the Show ground shall be subject to the rules governing the same and shall obey the orders of the Association's representatives. All exhibitors are held responsible for the conduct of employees and helpers.
8. The Stewards have power to enforce all the regulations of the Association in their different departments.
9. A protest having reference to exhibits at the Show may be lodged by any exhibitor competing in the same class. Such protests shall be lodged with the Secretary before four o'clock on the day of the Show, stating clearly the grounds of objection and accompanied by a deposit of Five Pounds for each protest. This deposit shall be forfeited if in the opinion of the Directors the protest was a frivolous one. The Directors reserve the power to lodge any protest themselves without fee. In either case the Secretary shall give written notice to the exhibitor of such stock as may be protested against within seven days of the Show. All protests shall be considered by the Directors at their first meeting after the Show, or at a meeting specially called for the purpose and the Secretary shall communicate the result to the exhibitor and protester within seven days of such meeting
10. The violation of any of the regulations shall render the offending exhibitor liable to forfeiture of all premiums awarded or such proportion as the Directors may think fit, expulsion from the Association, and prohibition from competing at any future Show of the Association.
11. The decision of the Directors shall in all cases be final in connection with the conduct of the Show. All persons present at the Show whether as a Judge, Exhibitor, visitor, or otherwise, shall be deemed thereby to have agreed to refer the subject matter of such a decision to the final determination of the Directors to the exclusion of all Courts of Law.
12. The Directors reserve to themselves the right to report the decisions under these rules, along with the names and addresses of the persons decided against, to kindred Associations or Societies, and to such newspapers or journals as they may think proper. Every person present

at the Show in whatever capacity shall be deemed to have consented to such measures being taken.
